

Directions for Transferring via USB Cable in Windows XP

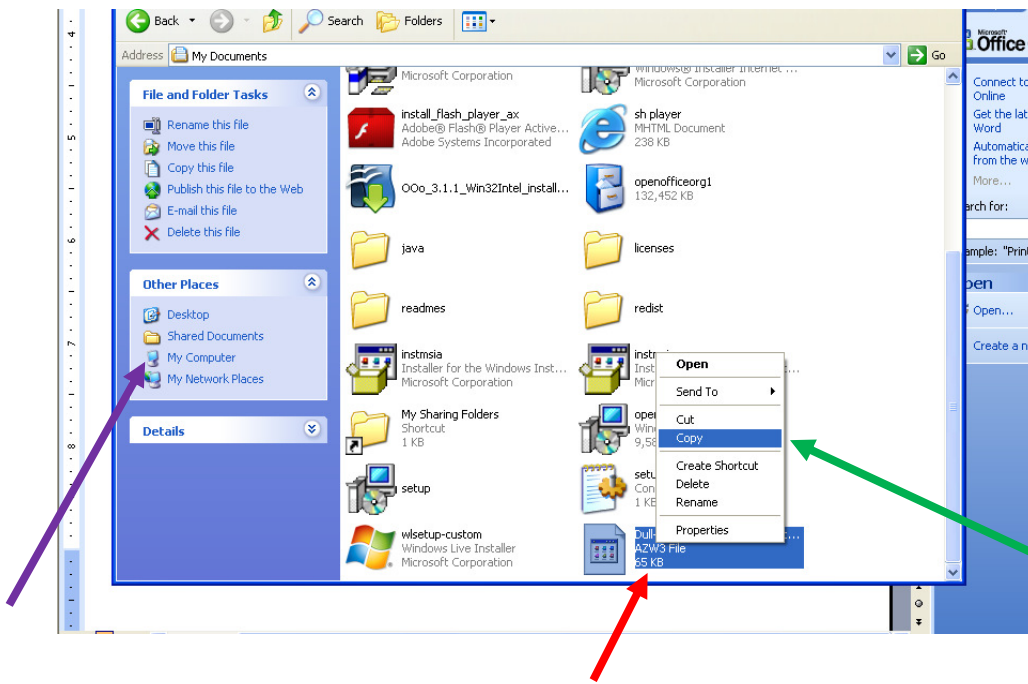

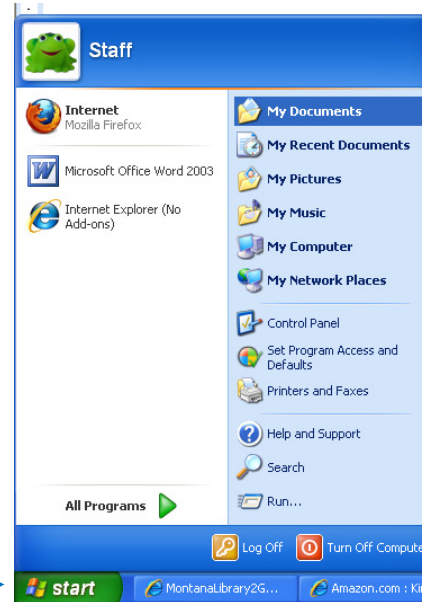

When prompted with **Save As** from Amazon, click on **My Documents**:

And then click on **Save**.

File will download.

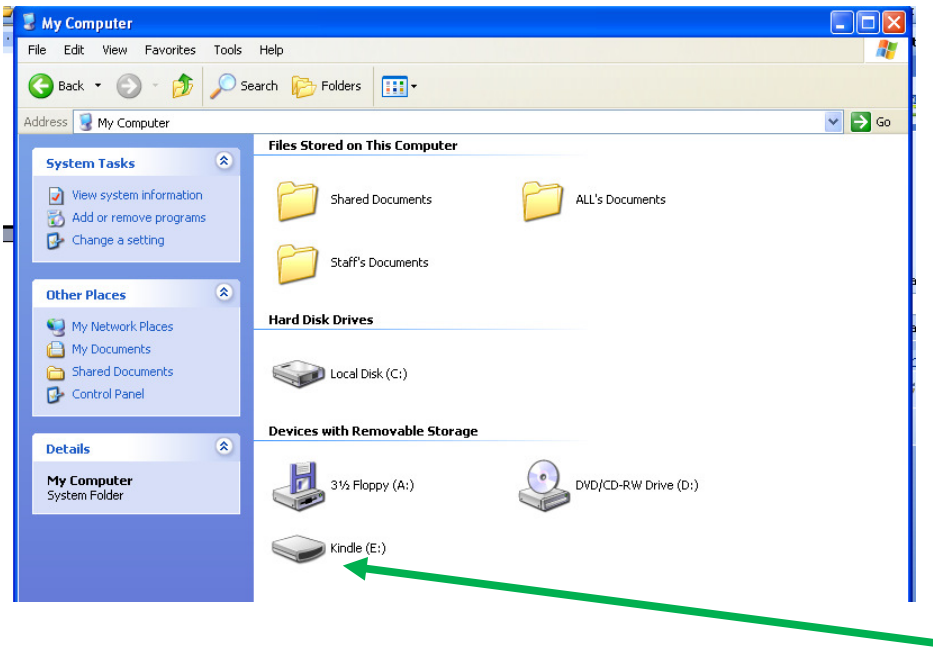

Click on the green **Start Button** (bottom left of your screen).
Click on the **My Documents** folder.

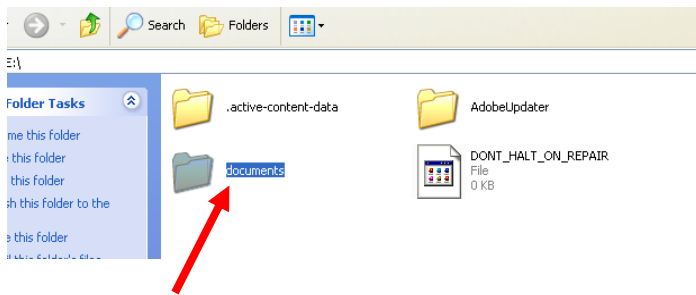

Locate the book you downloaded. **RIGHT CLICK ONCE** (red arrow) on the book, a menu will appear, **LEFT CLICK ONCE** (green arrow) on the word “Copy”.

Look at the Menu options on the left side of your screen. Under “Other Places” click on **My Computer** (purple arrow).

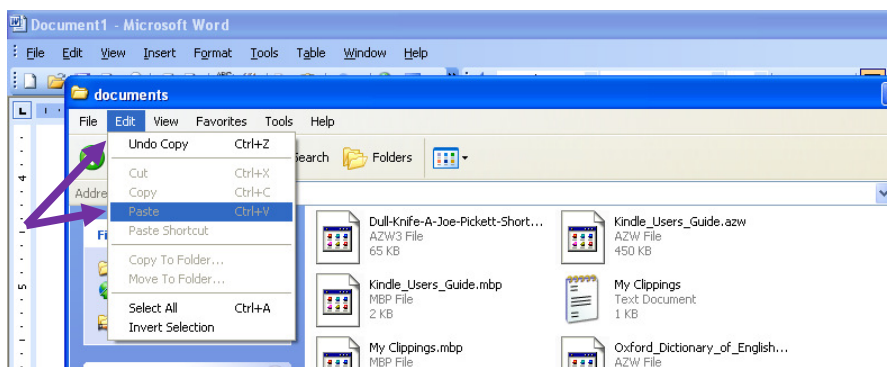

The contents of your computer will be listed. Under “Devices with Removable Storage” locate **Kindle**. **DOUBLE CLICK** on Kindle.

DOUBLE CLICK on the folder called “Documents”.

On the top Menu Bar, **Click** on “Edit” and then **Click** on “Paste”.

This will copy the file over to your Kindle.
